Club of the Year Award (2011 & 2012)

ANU Boat Club – In 2011 the Boat club increased its membership by 5%, retained qualified coaches from novice to elite level, ran a highly successful “introduction to rowing” program for first time rowers, improved and maintained the amenity of the boatshed and surrounds, increased its annual financial turnover, met all audit requirements and had members appointed to various committees locally and nationally. In 2012 the club continued to build on its success in 2011 and increased membership by a whopping 28%, again ran a highly successful “Introduction to Rowing” course, retained their high quality coaches for all squads, competed successfully at the Australian, NSW and ACT Championship regattas, the rowing ACT winter time trials, and the Head of the Yarra. The club also became the number 1 ranked men’s rowing team, the number 3 ranked women’s rowing team, and the number 2 overall at the Australian University Games. On top of this the club also completed purchase or refurbishment of 17 boats, increased its annual financial turnover, met all audit requirements, and continued to have several members appointed to committees which are important to the functioning of rowing locally and nationally.
